FISCAL NOTE ANALYSIS

STATE OF ALASKA
2018 LEGISLATIVE SESSION**Analysis**

This bill would repeal various funds in the general fund, including the community assistance fund, the civil legal services fund, the power cost equalization endowment fund, the power cost equalization and rural electric capitalization fund, the curriculum improvement and best practices fund, the school construction grant fund, the major maintenance grant fund, and the Alaska higher education investment fund. The bill's effective date is July 1, 2019.

The Alaska Higher Education Investment Fund provides funding for the Alaska Performance Scholarship (APS) program to distribute \$11,750.0 for APS awards annually. The fund source change for this program from DGF to UGF is included in the FY2020 Governor's amended budget.

Absent significant changes in Alaska high school graduate numbers, the award amount necessary to fund the APS is expected to be stable for the foreseeable future.

If this legislation is adopted, the balance of the Alaska Higher Education Investment Fund will be transferred to the General Fund. A separate fund capitalization fiscal note reflects the estimated change in revenues calculated as the fund balance as of June 30, 2018, less FY2019 appropriations.
